

Mission
The School of Social Work seeks to contribute to the building of healthy communities that maximize human potential and promote social and economic justice through excellence and distinctiveness in teaching and learning, research and scholarship, service and outreach.

Community

BSW
The mission of the BSW program is to prepare students for generalist social work practice in a range of roles and services that deal with the existing and developing challenges that confront individuals, families, groups, and communities.

MSW
The mission of the MSW program is to prepare students for social work leadership roles in the effort to solve, in partnership with others, the existing and developing challenges that confront communities and the people within these communities.
